## **CROSSGATES SHOPPING CENTRE CELEBRATES AN EGG-CELLENT EASTER**

Families from across East Leeds enjoyed an egg-cellent Bank Holiday weekend at Crossgates Shopping Centre, thanks to a whole host of cracking Easter activities fit for all the family.

The Easter Bunny kicked off the event on Friday 30<sup>th</sup> March by making a special appearance at the centre, spreading smiles by handing out free mini chocolate eggs to shoppers and greeting local children.

The centre's Kids' Club returned to the shopping centre on Saturday 31<sup>st</sup> March, helping children to make a variety of Easter themed creations that they could take home for family and friends.

From pop-up chick and bunny puppets, to brightly coloured play-doh Easter eggs, children thoroughly submersed themselves into the Easter themed arts and craft sessions.

Centre Manager at Crossgates Shopping Centre, Matthew Middleton, said: "It's always great to bring the community together with a range of activities - we love seeing families having plenty of fun.

"We thoroughly enjoyed the celebrations at the weekend. The reaction from both the adults and children to the Easter Bunny was great to see!"
